

# Release Agreement

Name, first name: \_\_\_\_\_

University/institution/company: \_\_\_\_\_

Address: \_\_\_\_\_

Email: \_\_\_\_\_

I hereby grant permission to ETH Zurich ITS-Multimedia Services (MMS) to record my lecture/talk

\_\_\_\_\_

\_\_\_\_\_

Event: \_\_\_\_\_ Date: \_\_\_\_\_

including slides and/or presentations, process and store the recording, distribute it in different formats via [www.ethz.ch](http://www.ethz.ch) and its subdomains and make it public under a creative commons licence “by-nc-nd” with the following characteristics:

- by: the content must be attributed to me.
- non-commercial: commercial use of the content is not allowed.
- no derivative works: The material is to be allocated in its original form and may not be edited (no excerpts or manipulations except for editing by MMS).

I acknowledge the licence details published at <http://creativecommons.org/licenses/by-nc-nd/2.5/ch/deed.de> and <http://creativecommons.org/licenses/by-nc-nd/2.5/ch/legalcode.de>. This is without prejudice to the right to publish it in other tangible form, e. g. in a book.

I agree that I am responsible for the content of the lecture. I certify that I am entitled to use all documents, texts and images presented in the lecture. Where this is not the case, I certify that I use third party materials in accordance with quotation right and reference the sources with due diligence. Hence, I warrant that the documents that I present do not infringe any third party rights.

I agree that the recording of my lecture will be archived and remains accessible on the internet. With a mail to [multimedia@id.ethz.ch](mailto:multimedia@id.ethz.ch) I can ask for it to be removed from [www.multimedia.ethz.ch](http://www.multimedia.ethz.ch). The removal does not encompass copies already made by third parties during the time of the publication.
